## Information Technology Salesperson Website and Related Services

### Helping Small Biz Bridge the Digital Divide

Earn **\$100 plus** every time you sell a We Care Worldwide website. Our prizes for top sales are incredible.

At We Care Worldwide, we understand how tough it is for small businesses to find the on-ramp to the Information Superhighway. Yet, we must find if we are to gain credibility and a marketing toehold in our own communities, let alone with far-flung markets that could – and would – use our products and services if they knew about them.

Our Small Biz Bridge helps small businesses close that gap on many fronts. A bonus is that our program provides a great way to unwind at the end of a stressful week of running the rat race.

#### Our easy-to-sell special program features:

**Product:** E-commerce ready (sell your products globally on-line), fully functional, turn-key website, featuring:

- **1 - 4 page pre-designed website**
- **Domain name registration**
- **1st year of Web Hosting**
- **Up to 5 emails setup**
- **Webmail**
- **Site Stats**
- **A payment page to collect Mastercard and Visa payments**

Imagine: Through this package, small businesses can further define their professionalism by having their own email identity. Instead of switching back and forth with Hotmail, Yahoo, AOL, or other providers, they set themselves apart by becoming Me@ MyBusiness.com. We teach you to showcase this impressive feature.

**The best news yet!** This package, a \$800.00 value, is available for a limited time at the unheard of price of **\$399.00!** (Show your customers that they're getting top quality. Take them to these sites so they can see for themselves. <http://www.unwiredtimes.com/>; <http://www.divinecomedyjam.com/>; <http://www.newbirthchurchstl.org/>)

**Your customers can offset the small \$399.00 cost by deciding to take their significant other, visiting relatives, or business associates out for a night of clean side-splitting laughter and fun.** That's right. They can purchase as many tickets as they'd like to our Divine Comedy Jam (<http://www.divinecomedyjam.com>) at \$29.00 each. If they buy 8 tickets, their website costs \$167.00. If your customers want something more spectacular than our standard, pre-designed site, they can pay for the extras by purchasing or selling additional Divine Comedy Jam tickets.

For more information on how you can become involved in changing the face of small businesses in our communities *and* make serious money too, call us at 314-414-2900, ext. 3. Or, email us at: [jcoleman@wecareworldwide.com](mailto:jcoleman@wecareworldwide.com). Mention that u4abc told you to write or call. We're also looking for budding entrepreneurs to help us expand our business, and ask that you tell your friends who may be in the market for extra income to give us a call.
